Usman Transport L.L.C

About Us

Established in 2000, Usman Transport LLC has grown from a modest fleet of 10 trucks into one of the UAE's leading transport and logistics providers, operating today with over 64 trucks and trailers. Our head office is located in Dubai, with additional branches in Thouban, Fujairah (Usman Transport LLC Fujairah Branch) and Abu Dhabi (Usman Transport LLC Branch of Abu Dhabi), while our Office, workshop and garage is located in Thouban Industrial Area Fujairah.

Our Services

Usman Transport LLC specializes in providing transportation and logistics solutions to ready-mix companies, contracting firms, and industrial clients throughout the UAE. We pride ourselves on delivering efficient, reliable, and cost-effective transport services that support the success of our partners in the construction and manufacturing sectors.

Our Mission

To be a trusted logistics partner by offering safe, timely, and high-quality transport services that meet the evolving needs of our clients, while maintaining our commitment to professionalism, safety, and operational excellence.

Our Growth

Over the past two & half decades, Usman Transport LLC has built a strong reputation as a key supplier in the UAE's construction and infrastructure sectors. Through consistent investment in our fleet, staff, and technology, we continue to enhance our capacity and service standards to meet the growing demands of our customers.
